QUOTATION 2017 02 17 _ AM

Calibration of Inclinometer Probes

Dept. Of Engineering Geology
State Geological Institute of D. Stur
Attn.: Mgr. Andrej Zilka

81704 Bratislava

08.02.2017

Per E-Mail: andrej.zilka@geology.sk

Dear Mr. Zilka,

We thank you for your inquiry and are glad to inform you that for calibration of the two probes we can keep the prices of last year as follows:

Pos	Quantity	Designation	UP in €	TP in €
1	2 Nos.	Check and Maintenance of your inclinometer probes S/N 11 002265 and S/N 14 including: - check of the probes - Recalibration of the probes including certificates - test measurement with evaluation and documentation Lump Sum Eventual repairs and spare parts are not calculated	400,00	800,00
2	1 No.	Packing, Documentation and Transport Charges C&F Bratislava		110,00

CONDITIONS

- Prices: are quoted C&F Bratislava
- Delivery time: at the moment we have a slight problem with the delivery time as a lot of our staff is at various open sites and also a lot of them are ill. So if the probes are still functioning and are in good condition we would like to propose that you are sending the probe only in March 2017 so that calibration can be done in due time (approx. 3 weeks upon arrival plus transport time)
- Payment: within 30 days without discount

We hope that our quotation is of interest for you and remain

with best regards
Martina Amann
